WESTON's "Make A Difference Day"

Scout's Conservation Day

We are focused on getting ready for the August 8 and 9 **Mare Faire**. We are going to **PICK BLACKBERRIES** for a couple of hours for jam and pies to sell at the **Mare Faire**. Remember to bring your tools, gloves and masks, if you have any.

Together we will realize our shared dream of converting the original Mare Island to a parkland. The Preserve is for people of this community and region, along with visitors from throughout our state and nation to treasure and enjoy. I know you share my pride and enthusiasm for this special; together we **will** create a park.

Many of your names and email addresses were transcribed off the sign-in sheets. Please let us know if any misspellings occurred. Also, if you do not want to be in the email group, reply "no thank you" and we will take you out of the group.
